

Engaging Students in Contemporary Issues and Civic Action Through Art

**youTHink and TreePeople Fruit Tree Program
at Camino Nuevo High School**

Thanks to the generosity of their donors, Tree People is able to give away free fruit trees to members of the community to plant in their own yards. The trees are small right now, and they are bareroot trees, which mean they will not be in pots when we give them to you, and they will need to be planted immediately. The trees are an assortment of apples, peach, plum and nectarine trees.

Camino Nuevo High School and youTHink are partnering to help distribute the trees to good homes. The trees will be available for pickup at Camino Nuevo High School on Saturday, January 23 at 12:00 PM.

If you would like to receive a free fruit tree, Tree People will ask me to give them your name, address and phone number. They need this for their records, their donors, and their research. They may follow up with you sometimes, to see how your tree is doing.

These trees need good homes. If you can provide one, we encourage you to complete the form below. Trees will be assigned on a first come, first served basis.

Thank you.
